

Ancillary Products Overview

Accident Insurance

Health plans provide benefits to help with medical costs associated with accidental injuries. Help protect your hard-earned wages and savings with Personal Accident Insurance!

Accident Insurance provides cash benefits that will pay for covered services, less any adjustments or discounts negotiated between your insurance plan and the provider.

LifeSecure reimburses for covered medical and recovery expenses, including:

- ambulance transportation
- urgent care center or physician's office visits
- tests & x-rays
- certain equipment and devices
- surgery
- emergency room
- hospitalization
- rehabilitation therapy... and more

Such benefits may supplement a person's health coverage and help offset large deductibles or co-pays.

Critical Illness Insurance

Health plans that provide benefits to supplement your traditional medical coverage and help pay the expenses to offset what your traditional health insurance doesn't cover, enabling you to focus on recovery.

Critical Illness Insurance provides a lump-sum payment when you're diagnosed with a serious disease to help ease the strain on your family finances. Conditions covered under the plan include:

- Heart Attack
- Coronary Artery Disease
- Carcinoma in Situ (Stage 0 and/or TisN0M0)
- Skin Cancer
- Major Organ Failure
- Stroke (CVA)
- Invasive Cancer (Sometimes referred to as infiltrating cancer)
- Prostate Cancer
- End Stage Renal Failure (Stage 5 Chronic Kidney Disease)

Hospital Recovery Insurance

Health plans provide benefits to help with medical costs during a hospital stay. Help offset large deductibles and co-pays with Hospital Recovery Insurance!

Hospital Recovery Insurance provides cash benefits, regardless of any other insurance the claimant may have, to assist in the recovery phase following an inpatient hospital stay.

Optional benefits include**:

- Emergency Room & Ambulance Benefit
- Major Diagnostic Exam Benefit
- Rehabilitation Facility Benefit

** *Optional benefits not available in all states*
